From the Chef de Gare

I am looking forward to the picnic on August 22nd. It should be a fun time with burgers, hot dogs and games. Bring the whole family.

As we wind down the year I look forward to turning the reins over to Jim Renton and I'm sure he welcomes a productive year as your Chef De Gare.

The Correspondent reports that with the Wreck to be held Saturday, July 25th, we will reach our goal of 100% Membership..

I look forward to spending the next year as your Passe Chef and will continue to work for the benefit of the Voiture.

Jerry Keen

Correspondant Notes

August is here and so begins the new membership year drive. Your 2016 membership cards are available at the Chateau at Friday Breakfast and during the Cheminot (and Promenade beginning in September). They will also be available at the Picnic on the 25th of August. However, if you are in the area and the Chateau is open, John Clapp or one of the other members of the staff can issue you your card and accept your renewal dues. Remember, it's our goal to have all dues paid prior to the 31st of December 2015. Membership in the 40/8 has not been increased in many years. It remains at \$25.00 per year.

Set aside the 25th of August on your calendar for our annual Picnic. There will be Free Beer, Soda Hamburgers and Hot Dogs. Plus I'm told that there will be a number of outdoor activities, provided the weather cooperates. So make plans to come down and enjoy yourself in the company of your fellow voyageurs. And don't forget to bring your "GOOFS". What better way to introduce them to our extended family.

Attention La Femmes

The summer months are here and hope you are all staying cool with the hot weather. Not a lot going on during the summer but we still have our Cheminot meetings and look forward to all of you attending that are in town and able to do so. Our new officers are in place and will take over their duties in September, give them all the support that you can. Let Marsha know what committees that you would like to work on this next year. We would like to see as many of you on a committee as we can, each committee should have at least three members.

You can start paying your 2016 membership dues at any time, they are still only \$25.00 for the year, we made over 100% this past year and would like to continue that into 2016. See either Elaine or Roberta to pay your dues.

We are always looking for new members so if you know of anyone that would be interested in knowing more about the La Femme's or in joining contact any of the members and they should be able to give you the information to pass on. There are membership applications in the box above the sign in stand in the Chateau and Roberta almost always carries some with her.

Have a great summer see you all at Cheminot on the 18th of August.

**Americanism
 Newsletter - Area A
 August 2015**

From the desk of Dixie Lee Hotaling -
 Americanism Sous Directeur Area A

August has arrived. It brings with it heat, humidity and lazy days. Fireflies dart back and forth, the swimming hole is crowded with people trying to stay cool. Evening stars are brighter than ever. Amidst midsummer, voyageurs are preparing for the National Prom in Green Bay Wisconsin. Hope to see many of you there. I will be bringing a limited supply of Americanism folder samples and the latest tri-fold "Flags of Our Country" printouts.

Midsummer Historical Moments

August has important historical events to remember: August 10, 1945 Japan unconditionally surrendered to the allied powers. President Truman announced the surrender on August 14. The ratification took place September 2 onboard the USS Missouri anchored in Tokyo Bay.

Did you know that August 14 is a Navajo Nation holiday honoring the Code Talkers of World War II? The Code Talkers used the Navajo language to transmit military messages, and the Axis powers never succeeded in breaking the code. On August 18, 1920, the Nineteenth Amendment to the U.S. Constitution was ratified, giving women the right to vote.

August 30, 1963 marked the day that a direct hotline was opened between the Pentagon in Washington D.C. and the Kremlin in Russia. Its intent was to provide direct communication and thereby eliminate the possibility of the countries going to war accidentally.

A Hearty Thank-You

Thank you for all of your support this year. Americanism met its goals of reaching children across America and promoting Patriotism. We did this as a team. Thank you for allowing me to be part of that team. Thank you States for getting your consolidated report into Tom Smith. That, perhaps, is one of our most important tasks.

See you at National!

Trivia

Question: Who signed legislation that officially designated "The Star-Spangled Banner" as America's national anthem?

(Answer on page 3)

Proposed New Jacket Emblem

Need Voyageur Militaire feedback on a new jacket emblem. This design would be embroidered on the jacket not as a separate patch as the old design is. If anyone has a better idea I am open to any and all suggestions. No jackets have been ordered in over a year because of a problem using the patch emblem. Looking to get as much feedback as possible on this subject so that we can move forward for anyone wanting to order a 40 et 8 jacket. Trivia

Answer: On March 3, 1931, U.S. President Herbert Hoover signed legislation that officially designated "The Star-Spangled Banner" as America's national anthem. For more than a century, the song had grown in popularity among Americans and by the third decade of the 20th century had already become the nation's de facto anthem, but with a stroke of the pen, President Hoover made it official. Here are some trivia questions to test your knowledge of our national anthem and how it came to be.

"O'er the land of the free and the home of the brave."

In the words of Red Skelton

"I've been listening to you boys and girls recite the Pledge of Allegiance all semester," Said Mr. Laswell, "and it seems as though it is becoming monotonous to you. May I recite it and try to explain to you the meaning of each word?"

"I" — me, an individual, a committee of one.

"Pledge" — dedicate all of my worldly goods to give without self-pity.

"Allegiance" — my love and my devotion.

"To the flag" — our standard, Old Glory, a symbol of freedom. Wherever she waves, there's respect because your loyalty has given her a dignity that shouts freedom is everybody's job!

"Of the United" — that means that we have all come together.

"States of America" — individual communities that have united into 48 great states. Forty-eight individual communities with pride and dignity and purpose; all divided with imaginary boundaries, yet united to a common purpose, and that's love for country.

"And to the republic" — a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people and it's from the people to the leaders, not from the leaders to the people.

"For which it stands, one nation" — one nation, meaning "so blessed by God."

"Indivisible" — incapable of being divided.

"With liberty" — which is freedom — the right of power to live one's own life without threats, fear or some sort of retaliation.

"And justice" — the principle or quality of dealing fairly with others.

"For all" — which means, boys and girls, it's as much your country as it is mine.

Since I was a small boy, two states have been added to our country and two words have been added to the Pledge of Allegiance...

"UNDER GOD"

Wouldn't it be a pity if someone said that is a prayer and that would be eliminated from schools too? God Bless America!

"I Pledge allegiance to the Flag of the United States of America and to the republic for which it stands, one nation, under God, indivisible with Liberty and Justice for all."
